Advertisement for the Post of Multitasking

Applications are invited for the post of **Multitasking Staff (02)** under Ministry of Steel funded project titled “*A Comprehensive Technological Innovation: Quantum Confinement-Induced Reconfigurable Synergistic Activation of Steel Industry-derived CO_x into CNG.*” with a Fellowship of **Rs. 15,000/month (Consolidated)**. The post is temporary and only valid until the completion of the project.

The candidate should have **Graduated (any discipline)**. The candidate must have knowledge of maintaining lab cleanliness, safety protocols, sample handling and also familiar with administrative support tasks like data entry, record keeping, filing, etc. The candidate must also have ability to assist in fieldwork, sample collection, or laboratory setup/maintenance. The priority will be given to the candidate with prior experience in 4-wheeler automobile CNG engine repairing and CNG engine testing. The upper age limit shall be as per university rules (age relaxation will be preferred as per GoI rules/BHU guidelines).

Interested and eligible candidates may send a complete bio-data, photocopies of self-attested certificates (starting from High School or equivalent to graduation level), and or any experience certificate relevant to this position through e-mail at sgarai@bhu.ac.in within 21 days of the advertisement *i.e.*, up to June 10, 2025. Proper contact details like Mobile number and Email ID must be mentioned in the email without which the application will be summarily rejected.

The date of interview will be informed by e-mail only. Applicants must provide their valid email address and mobile number together with other records for short listing. Selection will be made on the basis of performance in the interview. No TA/DA will be provided for attending the interview.
